## APOSTOLIC YOUTH CORPS CHANGES LIVES!

In June, we were privileged to host AYC in Quebec City again. The chaperones were amazing, and what an incredible group of youth arrived in our city! In spite of constant rain, they kept a great attitude and hit the streets to witness and invite people to our Gospel concerts on the weekend.

Our AYC group distributed over 2,000 pieces of literature and also put together over 200 food boxes for the community fridges in our city. We held a midweek service for the participants in the chapel in our home. What a powerful move of God we had in that packed room! Many students had a deep encounter with the Lord and had His calling for their lives confirmed.

Cassandra and Andre Powell from Ontario, as well as youth from Montreal, joined us for the weekend concerts. At the end of the Friday night concert, the Spirit of God swept through the hotel ballroom and four people received the Holy Ghost for the first time. One of these was Reine who immigrated from Togo a few years ago.

Our church family kept in contact with Reine, but she did not attend church right away. Then a few weeks ago she ended up in the hospital very sick, and God told her to contact a lady from our church to come and pray for her. After that happened, Reine attended our next Zoom service from her hospital bed, and two weeks later we baptized her in Jesus’ name!

On Sunday, the AYC group traveled to Trois-Rivières for service in the church there, which recently purchased a new building. A strong anointing of the Lord rested on them as they sang, testified and ministered.

A special thank you to Youth Ministries and to the AYC participants and chaperones; also to North American Missions for sending Bro. and Sis. Kenneth Stewart, who were such a blessing!

Project #171005
