MINISTRY TRAINING CENTRE IN QUEBEC CITY!

Church facility space is very difficult to obtain in Quebec, so we are currently renovating an 800-square foot addition to our home as a ministry training centre. We will have space for 20-30 people at tables or in rows, as well as a prayer room with a portable baptistry.

Pray for Jérôme as he continues to grow as a disciple

Scott received his Master of Divinity degree from UGST

This home we were able to purchase last summer also has 8 parking spaces, street parking, and partial commercial zoning. We will use the training centre for broadcasting our weekly services, fellowship events, and ministry training. We are grateful to those who have contributed to this project. God bless you!
