Apostolic Youth Corps

In June, we hosted a wonderful group of 43 dedicated young people, for the second Apostolic Youth Corps in 2019. Two participants from 2016 returned with this year's group. We had an amazing time exploring the city, doing prayer walks, and inviting people to the weekend services.

On Friday, we did a SERVE project, helping at local food banks and resource centres throughout the city. The services from Friday to Sunday were power-packed and several visitors attended. At our wrap-up session on the final night, each of the young people testified about how God had touched them directly through this missions trip, moving them out of their comfort zone into more active ministry.

Thank you to UPCI Youth Ministries for this opportunity! Thank you our awesome chaperones, Thomas and Meby Gibson from Colorado, and Chuck and Holly Crider from Missouri. And thank you to all of the special youth who sacrificed their time and money to be a blessing to Quebec City!
