SCOTT & LIANE GRANT

**Your Metro Missionaries to Montréal, Québec, Canada
—the most unevangelized area in all of North America!**

We are so thankful to so many who have made this missionary journey in Quebec the enjoyable adventure that it is. Yes, it is more cold and snowy than it ever was where we've lived before, but we have adapted and the Lord has blessed!

They have been a tremendous blessing to the work, teaching, preaching and sharing the load in every way. Thank you, Northeast Christian College, for your diligence in preparing labourers for the field. Jérémie graduated last year and he and Carrie made an immediate impact upon their arrival here in Montreal. Carrie has her Bachelor's degree in education and helps minister to our kids and youth.

The children are enjoying the new Kids Power Hour series that Liane and her team translated: "Chevaliers du Royaume" (Knights of the Kingdom). The King's Translators team is making great progress in providing apostolic French resources!

"Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God." Philippians 4:6

Children praying during Kids Power Hour

We just baptized Eunice this past weekend and when she came up out of the water she began to speak with other tongues, lost in the power of the One who saved her. These are the moments that make all the hours of prayer, outreach, travel and language study worthwhile! The joy over one sinner who repents.

We have been joined by Jérémie and Carrie Bossé from New Brunswick, in our work in Montreal and Trois-Rivières.

We are committed to planting churches in Quebec and other French speaking areas until Jesus returns! Liane and I are grateful to each and every supporter who has prayed and given to make our dream of missions ministry a reality.
