- North America's greatest mission opportunity!**

GRACE AND GROWTH IN TRANSITION

Hello from Quebec, Canada! Much has transpired since our last newsletter update. Liane and I became pastors of the Apostolic Sanctuary in Quebec City and continue to minister to the congregation there weekly. We are grateful for Melissa Fross and her significant investment into this part of the Lord's harvest field. We pray for the Lord's continued blessings upon her since she has returned home to fully recuperate, after significant back surgery.

We are so grateful for the leaders the Lord allows us to work alongside here in Trois-Rivières, Montreal and Quebec City. We would have had a graduation celebration for our three Purpose Institute training campuses, but alas Covid-19 had other plans. **About 50 students from several cities are being equipped for their work in the Lord's harvest field.**

As we pivoted online with Purpose Institute during the pandemic, we also went online for all of our services, Bible studies and discipleship. While Zoom is not nearly as engaging as face-to-face ministry, we've seen many new people from various places connect with us in our Zoom ministry space. Relatives of family members in Quebec City from Europe and beyond have been able to "visit" consistently in ways that would not have been possible pre-pandemic. We've also had online visitors from various cities in Quebec and other places.

Pray for us as things begin to open back up here, much more slowly than many other places. We had a park meeting with a small group in Quebec City recently and are moving toward reopening Life Groups with a goal of expanding them throughout Quebec City. As these groups begin and leaders are continually developed, the Lord will grow His church, one relationship at a time.

Congratulations to Pastor Hector Arriola and the amazing family of International Church in Montreal's South Shore. He his wife Claudia and the leadership team are all to be commended for their awesome work growing forward and celebrating 10 years this summer! When Pastor Hector took the oversight from us six years ago, we had a dream of three streams of ministry, flowing together in unity: French, English and Spanish. Hector and his team have ably brought that vision to pass, surpassing all expectations. *Gloire au Seigneur! Glory to God! ¡Gloria a Dios!*

Liane capped off a decade of intense translation education with the completion of her PhD. Along the journey, her awareness and expertise has allowed her to develop an amazing translation team that has now **produced over 50 apostolic books available on www.clf-flc.com and through Amazon!**
