SUMMER OUTREACH EFFORTS

We have just enjoyed a visit from the West Virginia Youth on Mission led by Robert Fazzalore. What a time of fellowship, prayer and ministry! We covered Greenfield Park (an area of Montreal's South Shore) with prayer and doorhangers, and passed out hundreds of church invitations around Metro Montreal. Also, we had five services, touching lives and refreshing many people.

On Monday, we visited Que-

bec City. I couldn't help but weep again when I looked over this city of 700,000 people that has no apostolic witness as yet. God is preparing labourers; please pray!

Luke 4:43 - *"And he said unto them, I must preach the kingdom of God to other cities also: for therefore am I sent."*

This was the response of Christ when people attempted to keep Jesus in one place with His

ministry. While tradition says we ought to put all our eggs in one basket, focus in one area, grow and develop one church first; the needs of the hour and the place often demand otherwise. That is certainly the case in Quebec.

This past Saturday we travelled again to Saint Hyacinthe for two Bible studies with a dozen people in attendance. This is another city among thousands in the province of Quebec which has around 50,000 people and no apostolic church, yet. The door opened and we are the closest church to them, so we do what Jesus said to do: we go.

Pray for several young men that we encountered there. Reaching and training them will be key for us to move forward in this needy field. Thanks for all you do to help us fulfill our role in the kingdom of God!
