NOVEMBER 2020

**SCOTT & LIANE GRANT, Career Church Planters in Quebec
– North America’s greatest mission opportunity!**

We baptized Ishimael and another young man, both from Quebec City, during the last few weeks. One of our PI students, Boaz, has been teaching Ishimael a Bible study.

Purpose Institute training is continuing during the pandemic... on Zoom!

HAVE A BLESSED CHRISTMAS!

We pray God’s blessings on all of you as we close out this rather strange year. Covid restrictions are still in full force in Quebec, with no in-home visits allowed except for a few days at Christmas. We also have a limit of 25 people in each church service. But God is moving just the same; nothing can restrict Him! We recently baptized two young men from Quebec City, and three other people have requested baptism. Through online prayer and Bible studies, the church is moving forward. We’re excited about what God will do in 2021!
