

Some interesting laws in Montréal, Québec...

- You can be fined for leaving your vehicle unlocked in a public place.
- On business signs, the French words must be at least twice as large as the English words.
- No store can sell milk for less than the price agreed on between the government and the dairy farmers.
- On the island of Montréal, you can never turn right on a red light.
- In the community of Brossard, it is illegal to leave your car idling for more than 3 minutes.

Montréal is a unique place to live!

SCOTT & LIANE GRANT

Your Metro Missionaries to Montréal, Québec, Canada—one of the most unevangelized areas in all of North America!

PLANTING AND WATERING

“I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.” 1 Corinthians 3:6-7

One plants, one waters but God gives the increase! Without Him we can do nothing. The summer continues in Montréal with a great opportunity as conversation has inevitably turned to God and faith in our weekly French discussion group. As many as eight people at one time have attended, and the hand of the Lord is definitely guiding the conversation.

Our Summer French Home Group

Pray for us as this connection continues with a summer-ending barbecue where potentially 30 or more people and their families will come together in our backyard for food and fellowship. Jesus did great work over food, and we will gladly follow His example.

Asha was baptized in Trois-Rivières

As missionaries we walk through whatever open door the Lord has set before us. We had the privilege of baptizing Asha in the saving name of Jesus in Trois-Rivières where we are also facilitating a leadership development class with 10-12 attending.

In September, we will be returning to French classes and will be able to continue our previous connections as well as meet many new people.

A Bible study that has a great potential to grow in Shawinigan is ongoing. Pray for more laborers in the city of Montréal and the province of Québec; and pray that while we continue to plant and water, God will give the increase.

We are teaching a Bible Study to David in Shawinigan
