## SCOTT & LIANE GRANT

Your Metro Missionaries to Montréal, Québec, Canada  
- the most unevangelized area in all of North America!

### The Call and the Challenge

Since early in our marriage, Liane and I have felt the call of God on our lives to French ministry. Thirteen years ago, we founded a church in Welland, Ontario, Canada (near Niagara Falls), a city with a significant French population. We continued to work on our French language skills and waited on God's timing.

At the Home Missions service at the 2006 General Conference in Columbus, Ohio, banners representing each approved Metro area were carried into the arena. When I saw the banner for Montréal with 3.8 million people, I crumbled to the floor under an intense burden. God confirmed to us that it was time to go!

We were approved as Metro Missionaries in March 2007 and started deputation in June. We have met so many wonderful people so far in our travels. We wish to express our heartfelt thanks for your hospitality, your financial

support and most of all for your prayers.

Montréal is such a needy mission field with almost 4 million people and only 4 United Pentecostal Churches. We will be relying heavily on your prayer support as we go to minister in this metro area. We will be working in harmony with the pastors currently in the city, and our base of operations will be in the South Shore area, where there is no UPC church at all.

The island city of Montréal at night. Pray that the Lord of the harvest will mobilize laborers!

Please pray with us that we will be on site as soon as possible! The Québec school system is very different, so we need to move our children between school years. We had a great boost from Canada Conference and General Conference, and believe

that the Lord will help us raise the remaining 65% of our budget rapidly, in order to get on location. Your willingness to share our burden has given a great boost to our faith! Thank you!

### European Youth Conference 2007

We were privileged to participate in the European Youth Conference in Melun, France on November 9-11. The complete immersion in the French language and culture was an incredible experience. We ministered in both French and English. The highlight of the conference was a commissioning service on Sunday morning, where 100 youth were anointed as leaders and presented with mantles.

### SPECIAL NOTE TO OUR MONTHLY DONORS:

We are so grateful for those who have already started sending in their monthly pledges. It is necessary for funds to accumulate while we are on deputation in order for us to have a working balance when we go on site. May the Lord bless you for your sacrifice!
