**A Saviour, a City, a Plan**

While on earth, Jesus had a calling to cities. It was not an option, but an imperative: *"I must preach the kingdom of God to other cities also: for therefore am I sent."* (Luke 4:43) It was his *raison d'être*, one of the things he was sent to do – to seek and save the lost. The Lord's sentiment for a city was summed up in one short verse, simple yet profound: *"Jesus wept."*

I know that feeling. Although I will never carry a burden quite like Jesus did, I have bent over double in tears while praying over the vast old city called Quebec, with a million people in the metroplex and no United Pentecostal Church. It is our desire to change that statistic in our second term as Metro Missionaries. Many others have prayed and cried over the city as well, and the time has come to act.

With a new mandate of five years as Career Church Planters in the province of Quebec, we have two main objectives:

1. Train and release laborers into the harvest;
2. Oversee the planting of new churches.

Our first priority is to prepare Église Internationale in Montreal's South Shore for transition to new local leadership. We will then make our move onsite to Trois-Rivières to bring leadership transition and

build teams in both places; preparing for our next plants in Montreal and Quebec City. Trois-Rivières is strategically located halfway between Montreal and Quebec City and will make a perfect launching point in this new mandate. Please pray about:

- **Smooth transition:** for our family and the churches of Montreal and Trois-Rivières.
- **Labourers:** the blessing of God upon those who partner with us in each church plant.
- **Finances:** God's continued blessing on our faithful donors, and the necessary new support as we move forward.

If you are not currently partnering with us, please consider investing in our mission of planting churches in North America's most under-evangelized area. Just call us at 450-550-6266 or send an email to [scottdgrant@aol.com](mailto:scottdgrant@aol.com) indicating the amount of your monthly pledge. Also, if you could forward a copy of this newsletter to a mission-minded friend, we would appreciate it.

The Lord our Saviour has a plan for Montreal-Quebec. He has men and women in both of these key cities who are already pointed in the direction of sacrifice and ministry. We, along with others, are ready, willing and passionate to go. Thank you for going with us in prayer and finance!

**Thank you for your faithful prayers and support—we appreciate you!**
