SUMMER 2024

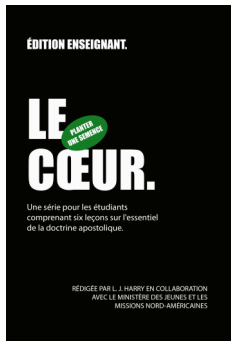

SCOTT & LIANE GRANT, Career Church Planters in Quebec City
— North America's greatest mission opportunity!

SUMMER UPDATE

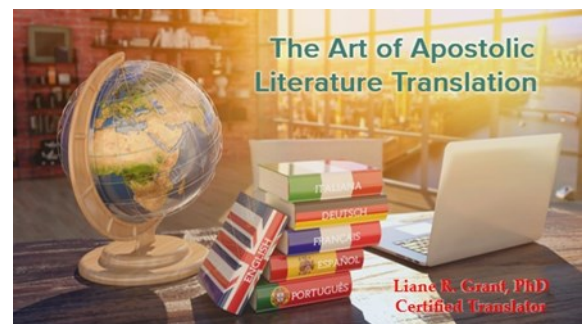

Summer is here in the province of Quebec and God is moving! In June, we had another great Purpose Institute graduation with 30 graduates across our 3 campuses. In Quebec City, the chapel in our house has served us well for the last two years, but it is getting crowded! We have had several Filipino and Malagasy guests lately. Please pray with us about a larger place for our Sunday services.

Our translation team has produced "The Core" and "The Gospel" youth Bible studies in French, sponsored by Quebec Youth Ministries.

Our French translation team is going strong, and we are expanding our efforts into other languages. By Fall 2024, Ministry Central will make available our new training course called "The Art of Apostolic Literature Translation". The mission of Nonprofit Translation Solutions is to Create an Apostolic Library in Every Language. We believe that the uniqueness of apostolic literature deserves a hands-on translation approach by a team of anointed translators who are committed to excellence. This course will help standardize translation quality and processes, and open avenues to network and collaborate on materials, glossaries, and training.
