WINTER 2024

SCOTT & LIANE GRANT, Career Church Planters in Quebec City
— North America's greatest mission opportunity!

MOVING FORWARD

We are thankful for new contacts in Quebec City and surrounding areas. We have a family in Saint-Benoît-Labre and are holding a home group there.

Our translation team has prepared the UPCI Manual in French. This will make it possible for more Francophones to apply for ministerial license, since it is required reading. A big thank you to UPCI Church Administration for their support!

We were also able to send almost 200 French books to Senegal for the Global French Summit.

We have visitors to service almost every week and will soon outgrow our current space, so we would appreciate your prayers for our next location. Jabez was so excited to be baptized in our on-site baptistry!

At our last Purpose Institute graduation, 25 students received their Foundational Diploma in Ministerial Studies, and 7 received their Advanced Diploma. 24 of our Quebec ministers have been PI students, as well as 9 ministers' wives. 11 students have launched a daughter church or preaching point. We are thankful for PI!
